with

We Are All About People

COMPANY INTRODUCTION

Kluster specializes in staffing of Human resources(HR) & IT Services for various industries.

Under HR services, We understand the role of skilled resources in the growth & success of any organization. We help organizations save time on activities pertaining to recruitment so that they can dedicate quality time for their projects.

Under IT Services, We provide all IT Hardware & Software Services to various Industries in the UAE. With the very progressive developments happening in the UAE consistently, Kluster contributes in setting up organizations IT Department from scratch.

We come in the picture when you need a team to understand your HR & IT needs and support as an extension to your organization.

UAE being an immensely competitive market it has become imperative to provide qualified candidates in a short turn-around time and provide Apt IT Services with optimum resources to get maximum Return on Investments in each organization.

Keeping these necessities in mind we work 24/7 to serve organizations to ful-fill their HR & IT needs.

WHAT'S IN THE NAME

• name

The word “Cluster” in English means a Group of closely associated people.

The word “Cluster” in IT means a Group of inter-related IT Components providing consistent un-interrupted services.

We decided to go by this Name as it rightly maps to our Services - HR & IT, either we see it as Closely related people providing HR Services or we see it as our Un-interrupted IT Services, we are truly Cluster.

But Yes, we chose to spell it as “**Kluster**”.

KLUSTER SERVICES

Kluster provides Professionals for all Industries and all levels within each organization. With very simple working Terms, we provide our HR Services at the most Competent service charges in the UAE.

Kluster offers a wide range of IT Services to organizations in the UAE. We cover various IT Software & Hardware services & support, in addition to Website Development, Hosting & Domain Registering, Security & Surveillance setup and setting up an IT Department of any organization from scratch.

We have dedicated HR & IT Teams for serving respective organizations.

We ensure a Happy Customer at the end of each Assignment thru our consistent efforts.
